In February 1944. US Forces launch Operation Hailstorm on Truk Lagoon, Japan's Pacific base during World War II. The Japanese are caught unaware and lose over 275 aircraft & 45 ships. See plane wrecks, artillery shells, torpedoes, tanks, bow & stern guns and an abundance of marine life including anemones, sharks eagle rays. With depths ranging from 10m to 60m and little current.

Join Remote Area Dive as they head back to Truk lagoon the worlds ultimate wreck diving destination. If you're at all intersted in wrecks & war history this is the trip for you whether you're a full Tech diver or a fresh rust lover.
